

When Ladybug Girl is bored, she likes to count things. She counted mailbox after mailbox, all the way up to infinity! Can you count these things?

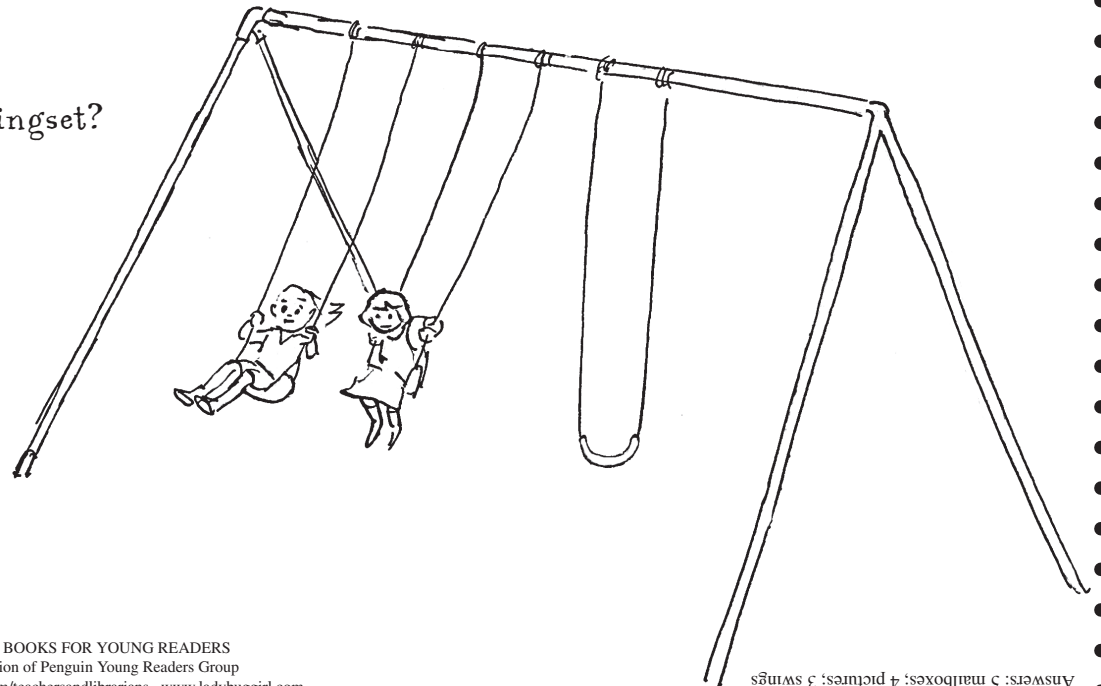

How many mailboxes did Lulu pass?

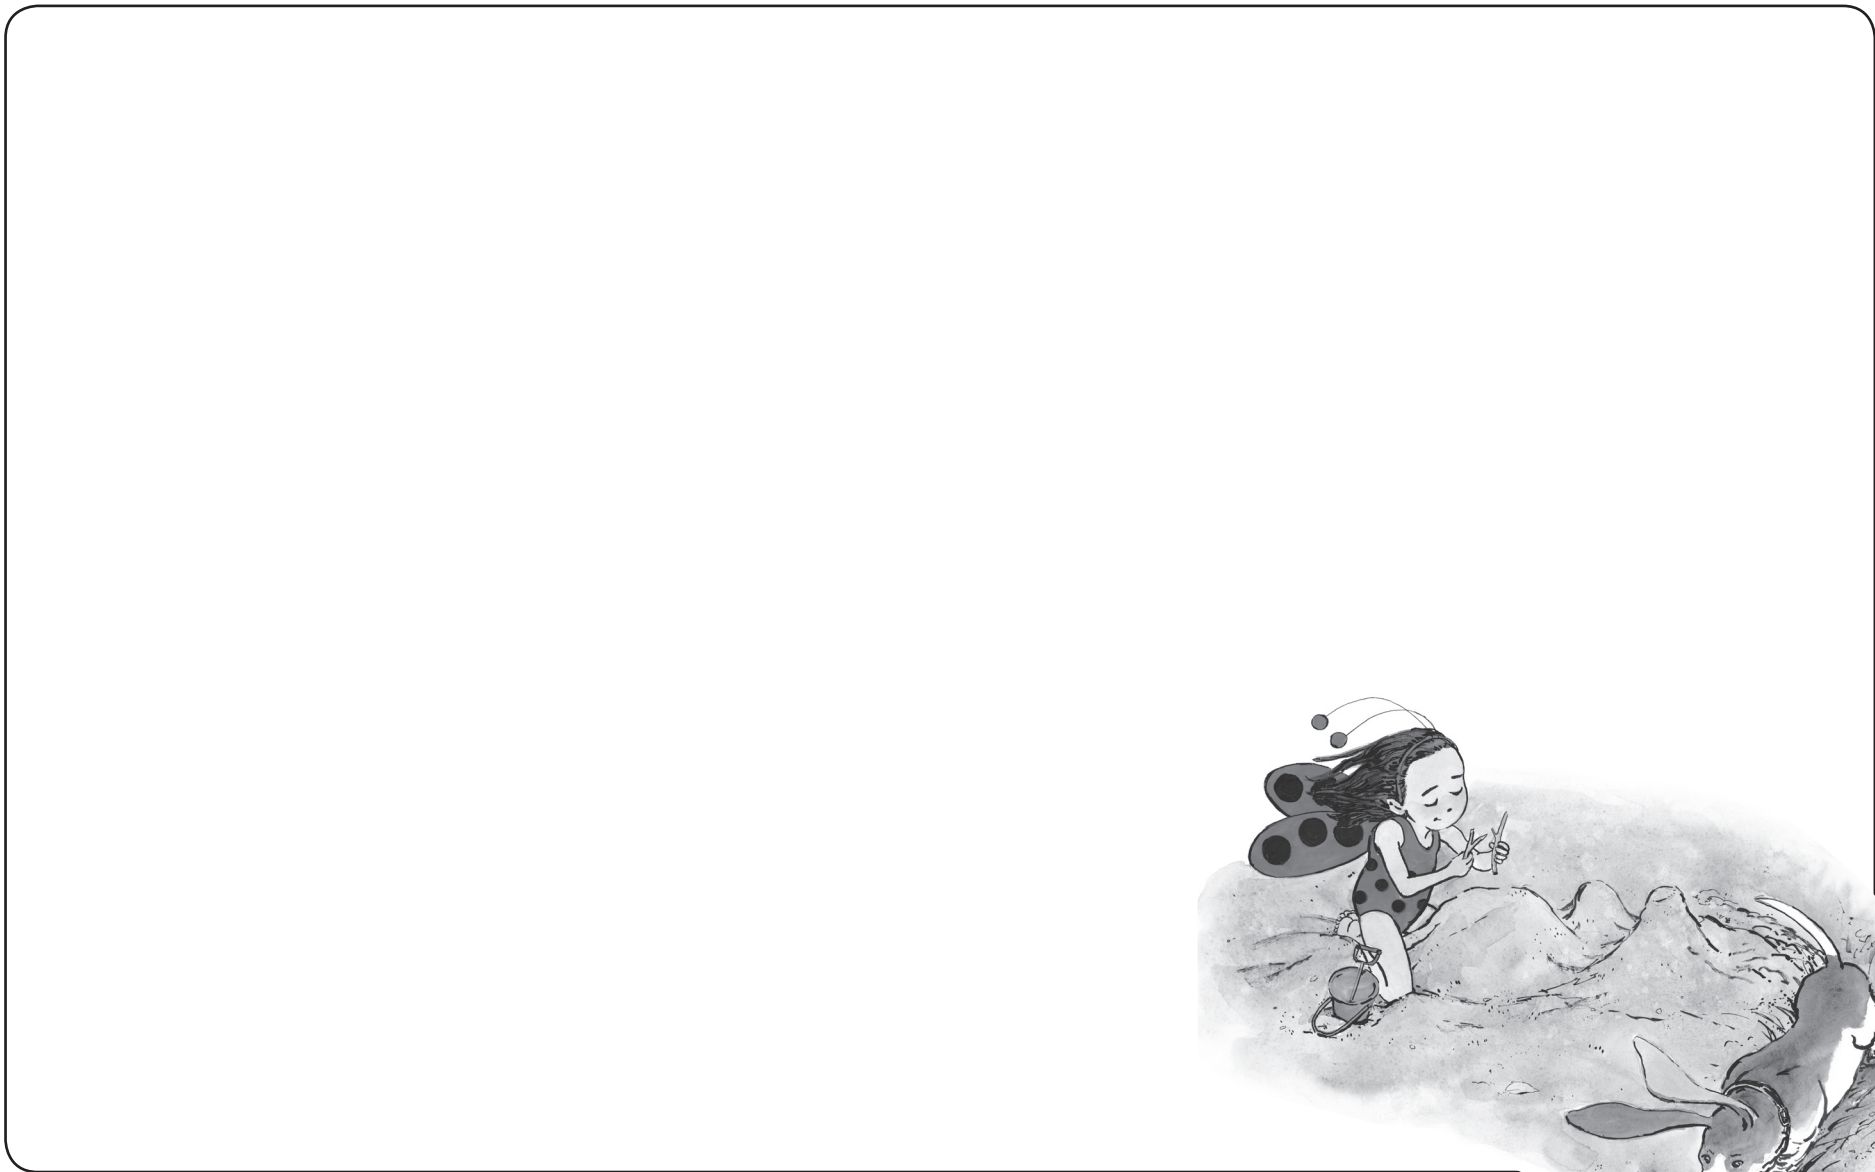

How many pictures did she paint?

How many swings are in the swingset?

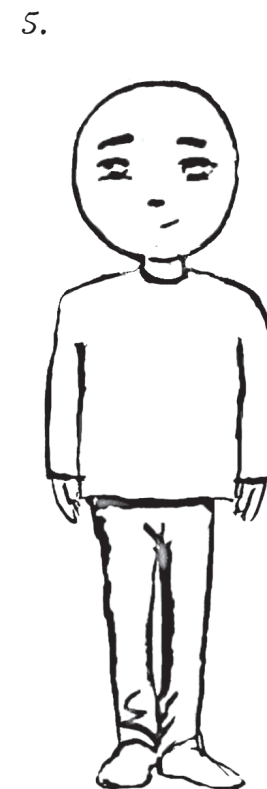

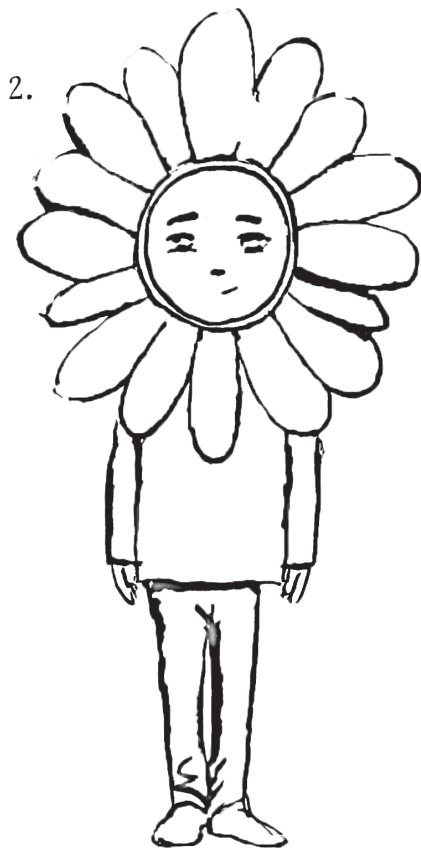

At the beach, Lulu builds a giant sand castle and uses little sticks for people.
(Bingo helps out by digging a moat.) Draw your own sand castle in the space below!
Don't forget to add kings and queens!

Lulu loves to dress up! Can you guess what she is supposed to be in each costume?
Draw a line connecting each picture to its corresponding name, and then color in the pictures!

What would you like to dress up as? Use the last figure to draw a picture of yourself wearing a costume, and write what you're dressed up as on the line below your drawing!

A. Flower

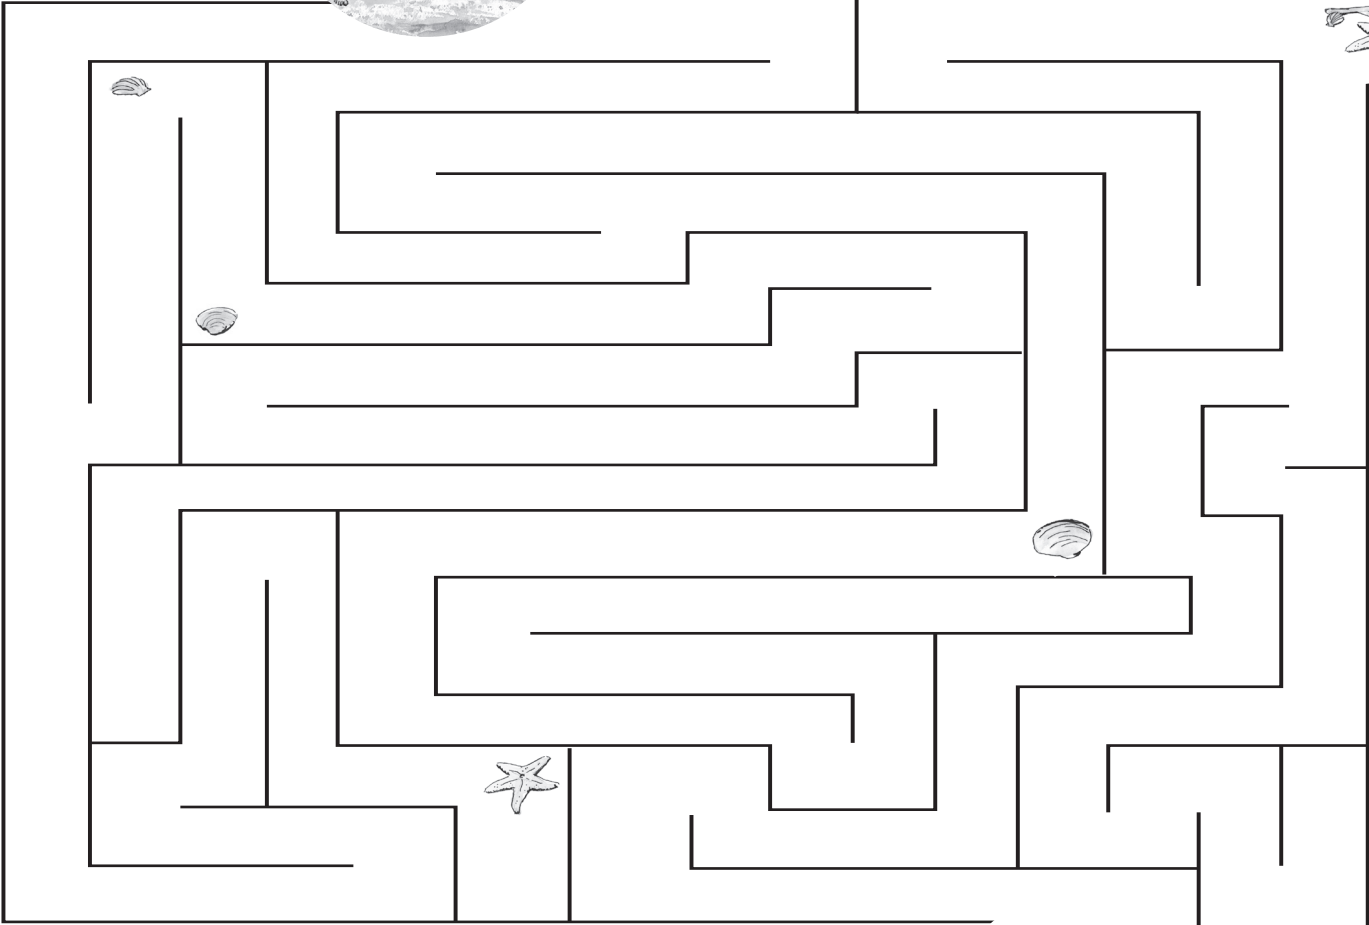

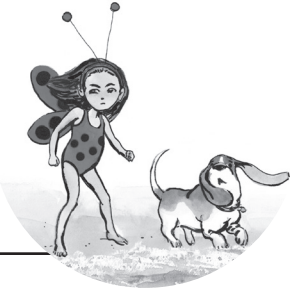

B. Tiger

C. Ballerina

D. Witch

Lulu lost her pail in the ocean! Can you help her rescue it? Look out for seashells!

There are so many ice cream flavors to choose from! Lulu can't decide between chocolate marshmallow, cherry vanilla, pistachio, butter pecan, peppermint bon bon, peanut butter chip, raspberry swirl, peach pie, almond fudge, royal banana surprise, and vanilla. Use crayons or markers to design your dream ice cream cone!

Then make one for a friend or two!

There are so many fun things to do at the beach!
Circle all of the things you might find during a fun day in the sun.
Don't forget to color in the pictures when you're done!
